

## **Saturday 19 September**

### **Bridge Race**

Change to Club Racing Sailing instructions

SI 2.5 is amended as follows

For the Bridge race we are trialling a modified HISC Handicap number. The numbers will be published on the notice board

Message from Racing Committee

This Saturday we are running a second Bridge race alongside the Windsurf, SUP and Kayaks.

Following learning from the “Dell Quay Dash” we are trialling a modified HISC Handicap number which recognises that most sailing in this top of the tide, up harbour, passage race format is done with a fair tide.

If successful, we plan to use this new HISC handicap for all such harbour events including the forthcoming October Harbour Challenge
