

COVID Update

Hayling Island is in Tier 2: High Alert.

This means we have a higher or rapidly rising level of infections.

In Tier 2:

- you must not socialise with anyone you do not live with or who is not in your support bubble in any indoor setting, whether at home or in a public place
- you must not socialise in a group of more than 6 people outside, including in a garden or a public space – this is called the ‘rule of 6’
- businesses and venues can continue to operate, in a COVID-Secure manner, other than those which remain closed by law, such as nightclubs
- pubs and bars must close, unless operating as restaurants. Hospitality venues can only serve alcohol with substantial meals
- hospitality businesses selling food or drink for consumption on their premises are required to:
 - provide table service only, in premises which sell alcohol
 - close between 11pm and 5am (hospitality venues in airports, ports, transport services and motorway service areas are exempt)
 - stop taking orders after 10pm
- organised outdoor sport, and physical activity and exercise classes can continue
- you can continue to travel to venues or amenities which are open, but should aim to reduce the number of journeys you make where possible
- if you live in a tier 2 area, you must continue to follow tier 2 rules when you travel to a tier 1 area. Avoid travel to or overnight stays in tier 3 areas other than where necessary, such as for work, education, youth services, to receive medical treatment, or because of caring responsibilities. You can travel through a tier 3 area as a part of a longer journey
- anyone living in tier 3 should not travel outside their area
