

Tender Replacement Project Update No. 3 – 11/09/2024

Dear Club Members,

Work on the Tender Replacement Project slowed during August as many of those involved took to the water to make the most of the summer at HISC. However, with the peak season now behind us, the Working Group has refocused its efforts on procuring the new boat. The Statement of Requirements has been finalized, and we are now in the process of creating a shortlist of potential suppliers who will be invited to tender for the project. The shortlisted suppliers are:

- Bulldog Boats
- Tideman Boats
- Yantai
- Coulam
- Landing Craft UK
- Whaley
- Pioneer Multi 3
- Robust Boats IoW

Donations Update

Donations have continued to trickle in over the summer, bringing the total funds raised to £20,582. A huge thank you to everyone who has contributed so far. As a reminder, if each adult member donated £100, we would easily surpass the amount needed to purchase the new tender.

Stay Informed and Support

To track the available funds and view previous updates on the Tender Replacement Project, please visit the Club website: <https://www.hisc.co.uk/new-tenderferrydonations/> .

Thank you for your continued support and enthusiasm for this important project. Your contributions are making a significant impact, and we look forward to keeping you updated on our progress.

Best regards,

Tender Working Group
