SAILING CLUB

Inspire, excite and motivate your team

Leadership and team building opportunities at a spectacular coastal venue with a host of on the water activities

An aerial photograph of a coastal sailing club. A large, light-colored building with a gabled roof sits on a sandy peninsula. Numerous sailboats are parked on the beach, many with blue covers. The water is a clear, light blue-green. In the bottom right corner, a cluster of sailboats is docked in a small harbor. The text "Meet, eat, sleep & sail – your corporate event all under one roof" is overlaid in white on the top left of the image.

Meet, eat, sleep & sail – your corporate event all under one roof

Inspire, excite and motivate your team. Sailing requires strategic and tactical planning, clear and efficient communication, commitment and, above all, leadership and teamwork. Get your crew working together to achieve first class results – on and off the water.

Founded in 1921, Hayling Island Sailing Club is one of the leading sports venues in the UK

The sailing club has played a leading role in British sailing, encouraging innovation and development and nurturing many generations of sailing champions, including five Olympic medallists.

Situated on a private peninsula of golden sand at the entrance to Chichester Harbour, the club enjoys a unique micro climate, offering ideal conditions for a boating adventure in some of Britain's best sailing waters. At the foot of the A3, Chichester Harbour is an Area of Outstanding Natural Beauty and is amongst the south coast's most popular sailing waters. Just over an hour from central London by train, and down the road from Southampton airport, access by plane, train or automobile couldn't be easier.

Your team can look forward to a range of exceptional team-building and leadership development activities and exercises. Configure your own sailing experience – choose from a menu of racing, cruising or exploring in both sailing dinghies or keelboats. If sailing doesn't appeal, why not try powerboat driving in our fleet of state-of-the-art Rigid Inflatable Boats (RIBs) or maybe paddleboarding or kayaking? We provide the boats, race officials and marine support team. Our experienced skippers and instructors are on hand to help less-experienced crews and for those completely new to sailing, we offer full or half day sailing or powerboat lessons.

Our first rate hospitality includes breakfast, coffee, lunch and dinner as well extensive conference facilities and accommodation – all on-site. Rest assured, our experienced team will ensure your event is safe, fun and enjoyable for all participants, both on the water and ashore.
